Summary:

I am a hard working individual with a passion for computer security and forensics. I enjoy security because I find myself continually learning to keep up with the latest technologies and I get to utilize both hardware and software.

Education:

A.A.S. With Honors, Computer Security and Forensics, December 2013 – S.U.N.Y. Broome

Employment History:

CAD/CAM Operator, I3 Electronics, Endicott, NY

2015-Present

- Modify Gerber design artwork to produce high quality printed circuit boards and laminated chip carriers
- Create/modify scripts to increase efficiency in front-end operations

IT Technician, ICS Solutions Group, Endicott, NY

2014-2015

- Technical troubleshooting for PC's, printers, phones, and other devices
- Configured and maintained client networks, domains and infrastructure to protect against viruses and other security threats

Programming Languages/Skills:

- Proficient in: C (for fun), C++ (for data structures), java (intro to programming), perl (for fun), html
- Setup and maintain OpenVPN, Unify WiFi and other networking equipment at Triple Cities Makerspace
- Various Raspberry Pi and arduino projects (some showcased on my website www.garydewey.com)
- Familiar with various Linux distributions as well as Windows Operating systems and servers
- VMWare virtual environment setup and maintained at Triple Cities Makerspace
- Ethical Hacking and Penetration Testing

Memberships:

- Triple Cities Maker Space - **System Administrator/Blogger** (present) <http://tcmakerspace.com/>
- Southern Tier Linux User Group - **member** (present) <http://www.stnylug.org/>

Certifications:

- CompTIA A+ #COMP001020060109 Date Issued: 08/16/2013

Accomplishments:

- Spoke at B-Sides Rochester 2016 – Presentation: Cluster RaspberryPi for distributed password cracking using MPI version of John the Ripper
- Attended US Cyber Challenge Cyber Camp 2015 (<http://www.uscyberchallenge.org>)
- 6th Place New York State Cyber Aces Competition 2015 (Governor's Cup) (<http://www.cyberaces.org>)
- 22nd Place New York State Cyber Aces Competition 2013
